Environmental Requirements

Operating ambient temperature: 32° to 95° F (0° to 35° C). Storage: -4° to 113° F (-20° to 45° C). Operating humidity: 5% to 95% noncondensing. 10,000 feet (3000 m) maximum. Avoid prolonged exposure to cold.

iPhone SE is designed with the following environmental management systems:

Arsenic-free display glass

Mercury-free and BFR-free boards

Brominated flame retardant-free PVC-free

Beryllium-free

Recyclable aluminum enclosure

Features

Design. A beloved design. Now with more to love.

iPhone SE features a strong and durable 4-inch design with a color-infused front. Crafted from beveled aluminum. Tough glass. And a home button with Touch ID. Everything is designed to fit comfortably in your hand. Or pocket. Or purse. Every detail is considered down to the chamfered edges. And every element has been engineered to work together. Including cleaner, more natural-looking colors. Like Rose Gold, a new addition to the iPhone family.

Love iPhone losing your cell phone is like losing a piece of yourself. Because it's literally a piece of yourself. Your fingerprint is unique from that of anyone else in the world. And Touch ID is the fingerprint sensor that makes the entire Apple family of products more personal to you.

iOS. It's why there's nothing else like an iPhone.

With an easy to use interface, powerful built-in apps, and support for hundreds of thousands of amazing mobile operating system and the iPhone is the best it's ever been. Whether you're using it for the first time or the hundredth, it's why there's nothing else like an iPhone.

Apps that help you do more throughout the day.

Stay connected with a variety of essential apps right out of the box. Browse the web with Safari. Get where you're going with Maps. Watch movies make it easy to access the things you love most. And with Siri, you can do all of this and more just by asking. Karaoke? Siri can make video calls, too. Tap to Siri lets you activate Siri with a touch of the Home button. Hey Siri lets you activate Siri hands-free. Siri can even read incoming messages aloud and send a replies. Just say the word.

Capture your world in stunning detail.

Siri is your personal assistant, helping you send texts, make calls, set reminders, search the web, get directions, and more. Just press and hold the Home button or say Hey Siri to launch your phone library to find just the photo you're looking for.

Fast. Powerful. Secure.

Touch ID makes unlocking your iPhone and making purchases from the iTunes Store, App Store, and iBooks Store easier than ever. Touch ID is setting for high security. Touch ID is also available for third-party apps. Touch ID is the fingerprint sensor that makes the entire Apple family of products more personal to you.
